### Changing the Way America Eats for 35 Years!

### EAT WELL. FRESH & LOCAL INGREDIENTS

Every season Chef Ype creates a new menu featuring products that make the most of what's in season from more than 15 local farms. Whether you are a vegan or a traditional diner lover, we have the choices for how you live and a healthy dose of what you crave.

### BE WELL. AWARD-WINNING WORKPLACE

Our culture is at the forefront of everything we do. We believe that empowering people in their professional and personal life leads to a great work environment. We are proud to be nationally and locally recognized as a great place to work: Top Workplaces by USA Today, Employer of Choice by Blackbox Intelligence, and Most Diverse Places to Work by Washington Business Journal.

### DO WELL. PROMOTING HEALTH & WELLNESS

We believe in supporting the communities we live in and serve. That's why over the past two years we have prepared 75k meals for children in need, and sold hundreds of farm boxes to help local farmers. Your support has enabled us to contribute well over one million dollars back to our communities. Thank you.
